

Introducing the **Smartcare** App for Parents

Once registered for Smartcare, you'll download our mobile app to:

- Receive notifications, photos and messages
- Check in and out at your center using your unique QR code
- View your account balance and easily make payments

How to Access the Smartcare Parent App

1. After your center enters your information into the system, you will receive an email from Smartcare asking you to setup your login credentials.
2. Click on the link to setup your password and PIN.
3. Your email address is your username.
4. Once complete, download the Parent App for your mobile device.

If you do not receive an email notification, please contact your center director to resend.
